

Sponsorship Opportunities

Join us

As Partners and Sponsors, you make it possible for Ukandu to provide hope, joy, and connection for families impacted by childhood and adolescent cancer. At Ukandu, we recognize that cancer diagnoses affect the whole family, which is why we've created this option for families to find respite together and create lasting memories and a robust community of support.

Ukandu is Oregon's largest and longest-running provider of medically supervised programming. We want to invite you to be part of our work.

Ukandu offers four distinct opportunities to contribute each year.

The Match Sponsorship for Ukandu's year-end fundraising campaign; Ukandu's Wine & Dine event, highlighting a selection of Portland's elite restaurants and Pacific Northwest wineries for a hearty sampling of Portland's finest fare; Ukandu's annual Golf Tournament, which allows hacks and pros to enjoy a competitive round together; or, you can become a Ukandu Featured Partner. This is an opportunity for your company to become an integral part of our work and receive recognition not just during the event season, but year-round.

At Ukandu we believe your sponsorship must provide mutually beneficial returns. If you want to participate but don't see a specific package that fits your organizational needs, please contact our Development Director.

Please review the following information and feel free to reach out with any questions or even to suggest your own ideas that might help us support these deserving families.

Ukandu is excited to offer this Featured Partner opportunity for your company to become an integral part of our work and receive year-round recognition. Your support allows us to lease the facility where we hold our flagship program, Camp Ukandu, making you a true partner with Ukandu yielding benefits that extend beyond the event season.

Featured Partner \$50,000

- 30-second video from Featured Partner sharing their support for Ukandu, followed by a 10-second thank you message from a member of the Ukandu community, on our website
- Recognition on Ukandu website as Featured Partner
- Prominent logo placement with live link as Featured Partner on all event pages
- Live link and logo shared in all Ukandu marketing emails for that year.
- Verbal announcement of Featured Partner at beginning and end of all fundraising events and virtual programs

Giving to a great cause can and should be a chain reaction of compassion. When companies match donations made by individuals, they become a vital part of our work by amplifying the impact that we make in the community.

As we carry out our annual End-of-Year campaign, we are looking for companies that share our passion for bringing hope and joy to families affected by childhood cancer to match these End-of-Year donations, up to \$30,000.

Your matching donations will encourage other donors to give, and together your contributions will enable Ukandu to broaden our impact and serve even more children and families in the new year than we would otherwise be able to.

End-of-Year Campaign Match - \$30,000

The campaign begins on November 21 and runs through December 31

- Company logo on Holiday Campaign online donation page
- Company logo featured on website
- 30-second video from company featured on website during the campaign

Annual Golf Tournament

Friday, September 6, 2024 | Tournament begins at 12pm | Cocktail Hour: 5pm - 7pm
Riverside Golf & Country Club

Ukandu's Annual Golf Tournament is not your average charity tournament! As one of the few charity tournaments held on a Friday, this event provides an opportunity to play at the exclusive Riverside Golf and Country Club. It is the perfect opportunity for golfers to leave work early, enjoy an afternoon round, and invite family and friends to join for a wonderful cocktail hour, exciting prizes, and live music - all while helping to bring hope and joy to families impacted by adolescent and childhood cancer.

This scramble, low gross score tournament, allows hacks and pros to enjoy a competitive round together while maintaining an efficient pace of play. A box lunch will be provided on the cart and golf will be followed by cocktails, appetizers, and awards reception. Sponsorship of the golf tournament provides great exposure for your company to a group of philanthropic golfers.

Wine & Dine for Hope & Joy

Thursday May 15, 2025 | 5:00pm - 9:30pm | The Redd on Salmon

The Wine & Dine for Hope and Joy is an event like no other. This sophisticated but decidedly un-stuffy affair encourages attendees to interact with our chefs and wine-makers up close. Each chef will share their signature recipes and winery representatives will regale you with the tasting notes and viticultural details of their wines allowing you to walk away feeling like a sommelier.

This is a 'mix and mingle' event which allows revelers to visit all twenty food and wine booths, or return to their favorite spot for unlimited generous sips and hearty bites. Our distinguished partners have included Kachka, Arden, Republica, Le Pigeon, Flaneur, Lingua Franca, and ROCO to name a few.

Attendees enjoy live entertainment while meeting Ukandu staff, board members, and volunteers. Most importantly, attendees hear from those who have attended our programming and learn why they refer to us as their "Ukandu Family."
